

ADOPTION OF TREES

Planting trees is a known practice everywhere but the Eco club of Mar Gregorios college of Law is going a step further by adopting plants & trees and taking care of them. The Eco Club of MGCL marked another milestone by conducting the mega programme of Planting trees and plant adoption in the month of November, 2018, in the lines of adopt a plant campaign of World-Wide Fund (WWF) India Campaign.

On the wonderful morning of Kerala Piravi November 1st, Our Academic advisor Prof. Dr. Vikraman Nair inaugurated the programme by planting and adopting trees followed by our principal Prof. Dr. E.R Jayaram and our vice-principals Prof. Dr. Thomaskutty P.G and Prof. V Ramachandran Nair planting and adopting the saplings of Almond Tree.
